

March 15<sup>th</sup>, 2023

Please be advised that due to the sharp increase in food supply costs and consumables, the Board is left with no option other than to raise the price of meals vouchers.

In 2022, it cost the Board \$17.00 per meal to produce; so even with the new rates the Board will continue to subsidize the meal program by \$2.00 per meal. We consider this an invaluable amenity to our residents, however, need to keep it viable as well.

**Effective April 1<sup>st</sup> the following rates will be in place:**

**10 pack: \$150.00**

**Residents single voucher: \$16.00**

**Guests single voucher: \$16.00**

**Frozen mini meals: \$8.00**

**Soup: \$5.00**

*Note: current vouchers are honoured and you can stock up on vouchers at the old pricing until April 1<sup>st</sup>.*
